Dear Mr. White:

The Mason County School System is appreciative of your time in participating with the district screening process. It was apparent that you had a genuine concern for children and that you had put forth a great deal of effort in preparing for the interview.

I am forwarding your name and resume to Mason County Middle School for their consideration. However, you may or may not be called for an interview. Any future correspondence should be sent to Betsy Cook, Principal – MCMS.

Again, thank you for your interest in the Mason County School System. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Kelly E. Middleton  
Assistant Superintendent
