ETS Recognition of Excellence

Congratulations!

You have earned the **ETS Recognition of Excellence** for your recent outstanding performance on a PRAXIS II test.

Your exceptional performance earned a score that ranks within the top 15% of all test takers who took this assessment in previous years. This achievement indicates a high level of proficiency in an area critical for professional educators.

This honor will be indicated on all your score reports. It formally acknowledges your personal effort and commitment to learning and to teaching.

ETS believes that the best way to advance learning is to enhance teacher quality, one teacher at a time. Your performance on the Praxis II assessment shows your dedication to high standards in education.

Congratulation on your performance. ETS wishes you much success and satisfaction in your teaching career.

Sincerely,

A handwritten signature in black ink, appearing to read "Jack M. Landgraf".
